DETAILED ACTION

Amendment

1. Receipt is acknowledged of the amendment filed on November 7, 2003. In the
5 amendment claims 11-14 and 20-31 were canceled, and claims 32-39 were newly added.
Currently, claims 32-39 remain for examination.

Drawings

2. As previously indicated, the application was filed with some informal drawings. The
10 application having been allowed, formal drawings are required in response to this Office Action.

Allowable Subject Matter

3. Claims 32-39 are allowed.
- 15 4. The following is a statement of reasons for allowance: the claims are directed at a secure transaction system comprising an encoder and a verifier. The information being encoded includes a unique code further comprising a transactional data and biometric information. As disclosed in the references previously cited (US 5,748,737 to Dagger and US 5,712,914 to Aucsmith et al.), encoding human identifier in a transaction is well known, and gaining rapid
20 acceptance to increase authentication of data, and to thwart identify theft and other loss. However, the cited references, taken alone or in combination, fail to show or fairly teach a particular scheme/method wherein the verifier, recreating the unique code using a second key, a

human identifier and the transactional data for verifying the integrity of transactional data as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
